Subject: Nigerian Institute of Architects endorsement of The Big 5 Construct Nigeria, 9 – 11 September 2019

With this letter Nigerian Institute of Architects has the pleasure to announce official endorsement for The Big 5 Construct Nigeria, taking place from 9 – 11 September 2019 at Landmark Centre, Lagos. This dedicated construction exhibition is part of the very successful Big 5 portfolio of leading construction exhibitions around the world.

Nigerian Institute of Architects is an association for Practicing Architects, that does Architectural Education and targets Prospective and Practicing Architects.

The Big 5 Construct Nigeria is set to be country's premier and dedicated construction event. The event will bring together 200+ confirmed exhibitors presenting the latest innovations from around the world. 20 free to attend, CPD certified educational sessions will also be on offer for visitors of the event. Topics includes Affordable Housing and Architecture, Technology and Sustainability and Project Management among others. Free attendance certificate will also be provided for the workshops with CPD points which are important for those professionals interested in their continued professional development.

With these benefits to attendees, Nigerian Institute of Architects has decided to partner with The Big 5 Construct Nigeria and recommends the event to all working professionals in the construction industry.

The Big 5 Construct Nigeria will take place at Landmark Centre in Lagos from 9 – 11 September 2019.

Nigerian Institute of Architects fully support the efforts of The Big 5 Construct Nigeria and wish the organizers a successful show.

Yours sincerely,

Benjamin Nnamani  
IT Manager
